**Preachers' Transport, Hospitality and Expenses**

Will Church Stewards please make arrangements for transport for preachers who have no car.

Mrs. Maureen Jones, Mr. John Rayfield, Mrs S. M. Rudden and Ms B. Crossfield will always need transport. Stewards can readily ascertain other needs.

Occasionally it is possible for one preacher to pick up another, but Stewards are asked to arrange this by consulting the Plan.

Where a preacher comes from another circuit, will stewards please pay necessary expenses, and claim them from Mr. Nigel Burns where appropriate (Sundawn, Brymbo Road, Bwlchgwyn, Wrexham, LL11 5UA Tel. 01978 754270). Churches which themselves invite a preacher are responsible for expenses, from their own funds.

When due to transport arrangements a preacher arrives early for an appointment, it would be appreciated if stewards would kindly provide hospitality until the time of the service. When a preacher is planned at a church for the first time, Church Stewards should ensure that they know where it is and how to get there, offering transport if needed.
